

LAWSUIT

It's over-

Per Attorney's advice,, I allowed put the Bukowski's on the ballot.

Ballot Draw for them was Friday, January 2nd at 1:00pm. Neither one showed up, Chis Sowell drew for them. Why?

In Chris's own words, someone called him and asked him to do it, (Robert Simonton my thoughts). He also stated

“There is a lot of animosity in the party, and no one trust anyone. “

Where did this animosity come from,, it was introduced,, or brought in, everyone in this room knows that Chris Sowell put Patrick up,, to run against me.

But what caused this? A phone call between Chris Sowell and myself.

Among other things, I had stated “he was bad, and I just wanted him to stay away from me.” That was the start of it.

Animosity coming from where? Like David Beck,, who is running against Rachel, who has never met Rachel,, or myself,, in an email says.

“Lol, you and Rachel are afraid. And you should be, LOL”

Not one single person, who is running against a precinct chair, has taken the time to come to a meeting, or, try to get to know anyone. SO, where is this animosity coming from?

Someone **filled them with animosity**. Most have no idea, the purpose of the party, or what the party stands for. I bet, some, have no idea, that they are running against another person.

I did not join the Republican Party because I liked them. I joined the Party because I felt they needed someone with balls. Someone to stand up for what is right. I am tired of our elected officials and their basement deals to sell us out. Which leads me to what I wrote August 2023.

DON'T SPLIT THE PARTY

Which one are you? I am a PROUD CONSERVATIVE!

I will not give up the Republican Party without A FIGHT! which side are you on?

I stake claim on this party,, as a party who believes in GODs word.
